PURPOSE

«Już teraz, w tym czasie przygotowań, cieszę się, że poprzedzający wydarzenie jubileuszowe rok 2024 można będzie poświęcić wielkiej „symfonii” modlitwy.

Proszę Maryję Dziewicę, aby towarzyszyła Kościołowi na drodze przygotowań do tego wydarzenia łaski, jakim jest Jubileusz.»

*«I would greatly desire that we devote 2024,
the year preceding the jubilee event, to a great “symphony” of prayer.
I ask the Blessed virgin mary to accompany the church on the journey
of preparation for the grace-filled event of the jubilee.»*

THE SHRINE OF OUR LADY OF PUKEKARAKA, OTAKI, NEW ZEALAND

**A place dedicated to Mary;
a place of peace, a place of pilgrimage, a place of miracles.**

The most successful of the early Catholic Māori Missions was that established in 1842 at Pukekaraka Marae in Ōtaki. The first church at Pukekaraka, also known as Puke Karakia - Hill of Prayer, was built in 1844 by Father Comte (Pā Kometa). The statue of the Virgin Mary stands in a grotto which is a tiny antipodean offshoot of the great shrine of the Immaculate Conception at Lourdes. She is known to 'be in charge'. One elder Māori lady says: 'Well, if Mary wants it, it will happen!' Mary is a symbol of love of and care for 'our home', the Earth, and easily fits in Māori terms with Papatūānuku, the earth, and the call of Pope Francis in his Laudato Si.

Assistant to the Confederation

of Confraternities of the Dioceses of Italy

March 11, 2024

The Confederation of Confraternities of the Dioceses of Italy adheres with conviction to the World Rosary Day scheduled for October 7, 2024. The spirituality of our families and confraternities was formed on the prayer of the Rosary, the “compendium of the Gospel”, the breviary of prayer of the People of God.

The Second Vatican Council, in the Dogmatic Constitution *Lumen Gentium*, affirms that the Blessed Virgin “now shines on earth before the pilgrim People of God, as a sign of sure hope and consolation, until the day of the Lord comes” (2 Pt 3:10)” (LG n. 68). As members of our confraternities we are called to adhere to the present reality with patience and perseverance, overcoming the temptations to look with nostalgia and regret at a past that does not return and at an illusory expectation of an idealized future. For our confraternities, the common journey towards the next Jubilee, following the Virgin Mary on her pilgrimage of faith witnessed by the joyful, luminous, sorrowful and glorious mysteries of the Rosary, is a great opportunity for the regeneration of hope that as a Christian community we can put in place, accompanying the seekers of light of our time to live experiences that, by bringing them out of the darkness of daily dramas, raise their eyes to Jesus Christ, “Light of the Gentiles”, who opens them to certain hope for the future.
